When is re-settlement due?"

To Under Secretary

The re-Survey is preliminary to
re-settlement. The resettlement of Manga
talnk, South Kanara Dt. is due in 1932-3
- Vide page 2 of G.O. No 2052 Rev Dj 15-9-192
The re-survey is to be taken up so much
in advance of re-settlement as the Direct
of Survey has reported that otherwise the re-survey
of South Kanara cannot be completed in
time for re-settlement - Vide the portions
marked at page 3 of B.P. No 68 (L.R. & Sett)
Dj 22-6-1922.

Very well. But I must own that

Somewhat unwilling to grasp the reason in preparing a Programme which allows a survey 10 years in advance of the re-settlement! The re-survey of one solitary Taluk will not occupy long & by the time the re-settlement is taken on hand the results of the survey will have materially changed so as to justify perhaps a revision survey which in other words means duplication of Expenditure. I wonder whether it is not possible in the preparation of the Programme to follow as far as possible the survey in order of priority from the standpoint of re-settlements & thus render operations cheaper?

Ask Director to explain above.
